Dear Ram Community Members:

Thanksgiving is a time of gratitude and reflection, a time to focus on the good in our lives and remain hopeful of what is yet to come. As we enter this Thanksgiving holiday, I write to express my personal appreciation to all those who engage in our school community every day. I want to thank CMAVTS families for your partnership in education and all that each of you brings to our community. I am thankful for our students who come to CMAVTS with a desire to learn about a career- their creativity, dedication, motivation, and service to the school community as they strive for success- gives us all a daily reminder of what is important and why we are here.

Thank you to our teachers, educational professionals, administrators, and instructional staff for the commitment that you make every day to the students at CMAVTS. I thank you for your dedication to quality education and student achievement. Thank you to our custodians, secretaries, school police officer, school nurse, support staff, cafeteria workers, counselors, co-op coordinator, coaches, and others who provide compassion, commitment, and support to our students each day. The many contributions you make every day show you have the best interests of our students at heart. I am grateful for all you do to assist our students in reaching their educational and personal goals.

Every day we see dedicated and tireless individuals going above and beyond to make sure great things happen within our school. Whether you are a CTSO or club advisor, coach, volunteer, chaperone, committee member, event planner or participant, your efforts do not go unnoticed. Each of you truly makes a difference in the lives of our students and we value all the efforts you put into building a sense of community and positivity within our school.

I am grateful for the support of our Joint Operating Committee, and our community of stakeholders who have supported CMAVTS initiatives that will build a brighter tomorrow for current and future CMAVTS students. Your dedication of time, service, participation, and contributions is highly visible within the school and is greatly appreciated. We are truly grateful for all you do to support our school.

Happy Thanksgiving to the entire RAM Community! I send you best wishes for a holiday filled with family, friends, love, and laughter!

In Gratitude,

Ken Kryder
