Dear Parents, Students, and Staff,

Recommendations for COVID illness remain in place according to the Center's for Disease Control, CDC as follows:

If positive test results: Quarantine for 5 days from the onset of symptoms, return to school on day 6 with CDC **recommendations** (not requirement) of masking an additional 5 days (until day 10 from onset of symptoms).

CMVT policy remains, fever free for 24 hours without the use of fever reducing medication prior to returning to school, and any absence longer than 3 days requires a physician's note. Due to this policy, any student who completes a home test and is out of school longer than 3 days will need provide a doctor's note to excuse the students attendance.

Please contact the school nurse or administration as needed with any questions/concerns.

Respectfully,
CMVT
