Dear RAM community,

Hello RAM family. I wanted to take a few moments to outline the schedule for the remainder of the 2022-2023 school year. The end of the year will look very different compared to years past, due to getting a much-needed building renovation. Contractors have set a very aggressive timeline for the renovations to be completed, to make that happen, we must be moved out of the building by June 2nd. Administration has reviewed plans with the contractors and agree a slight change to the normal schedule is acceptable, to ensure that we are back in the building for the start of the 2023-2024 school year. Below is the schedule for the remainder of the year.

May 15th - Biology Keystone Exam Day 1 – Test will be given in the morning. All 10th graders and 11th graders who are re-testing. Reverse bell schedule.

May 16th - Biology Keystone Exam Day 2 – Test will be given in the morning. All 10th graders and 11th graders who are re-testing. Reverse bell schedule.

May 17th - Algebra Keystone Exam Day 1 – Test will be given in the morning. All 10th graders, some 9th graders and 11th graders who are re-testing. Reverse bell schedule.
