

## **New Tardy and Parking Procedures for Students**

We want to inform you about updates to our tardy policy, effective immediately. These changes will help ensure students are more accountable for their arrival times and maintain a smooth flow in our parking lots.

### **New Parking Procedure:**

- Students may park in either parking lot on a first-come, first-served basis.

### **Tardy Consequences for Students Who Drive:**

- **1st set of 3 tardies:** 2 lunch detentions
- **2nd set of 3 tardies:** 1 after-school detention (3:15 pm - 4:15 pm)
- **Tardy #7:** Student loses driving privileges for 5 school days
- **Tardy #8** - Student loses driving privileges for 10 school days
- **Tardy #9** - Student loses driving privileges for 45 school days

### **Additional Notes:**

- If a student skips a detention, their parents/guardian will be contacted, and they will serve 2 after-school detentions.
- If a student skips detention again, they will lose their driving privileges - 5 days.
- Co-Op students are held to the same standards.
- Co-Op students may need to make alternative arrangements with their employer to attend lunch or after-school detentions. After the 8th tardy, a student will be removed from the Co-Op program.
