May 2, 2025

Dear CMAVTS Families,

This notification is to inform you that all sophomores and freshmen enrolled in Keystone Algebra, Biology, and Literature will be taking the Keystone exams on May 12, 13, and 14; and May 19, 20, & 21.

The Keystone Exams are end-of-course assessments designed to evaluate proficiency in academic content. Beginning with the class of 2022–2023, students must demonstrate proficiency on the Algebra I, Literature, and Biology Keystone Exams to graduate or fulfill one of the other pathways provided to graduate. Students will be offered multiple opportunities to take the Keystones throughout their high school career.

Please refer to the links on our website to the Parent Notifications to see the Code of Conduct and Calculator policies for Keystone examinations. Please feel free to contact me with any questions.

Sincerely,

Edward T. Sanders, Jr.  
Interim Principal  
Columbia/Montour Vo-Tech.
